

Your property is safe with us.

SKG offer well-trusted security services for the protection of people and property by maintaining a team of highly trained and equipped uniformed security patrols and guards. With highly regarded experience in traffic management, manpower services and concierge services, SKG continually provide sensitive and measured approaches to all situations.

SKG is proud to promote its committed and ethical security services. Specialising in a number of protective methods, SKG is considered a leading supplier of security services in NSW and the ACT region.

Reducing risk, protecting people and safeguarding assets — SKG provide an uncompromised complete security service.
